

2023 FALL Tools for Schools Grant Application

DEADLINE: SEPTEMBER 11, 2023

Please complete each question in the space provided. You may provide supplementary materials if additional space is needed.

PART I. La Crosse Area Builders Association (LABA) Building Careers Tools for Schools Program

- This is the 22nd year of the Building Career/Tools for Schools program. In those years, LABA has awarded over \$100,000 for this grant program through our annual LABA Golf Outing, Building Materials Public Auction, Cabin Fever Fun-Raiser, and the LABA Home Show. We have awarded many grants over the years to benefit students in the area we serve. We invite you to request one or two tools that will improve your program.
- The application deadline is Monday, September 11, 2023. If your application is approved, we ask that you send a representative to pick up your item(s) at our General Membership Meeting honoring our Tools For Schools recipients on Tuesday, October 17, 2023. Event details will be sent to the grant recipients.
- In addition, we encourage you to schedule time for a LABA representative to present to your class about jobs in the trades and answer any questions you or your students may have. Please feel free to contact us to set something up. Additionally, we hope you are registered to attend our 2nd annual Build My Future event on April 24th, 2024.

If you have any questions about these events or this application, please contact us at 608-781-5242 or info@labaonline.com

PART II. General Information

School Name _____

School Address _____

Class Title _____

Instructor's Name _____ Phone _____

Email _____
